

Accountants Professional Liability Insurance

Monitor's Accountants Professional Liability (APL) Insurance is available for small and mid-size local and regional firms and provides comprehensive coverage with competitive premiums.

AccountPro

- For firms with more than \$500,000 in annual revenue and/or firms with unique coverage needs
- Designed to meet the professional liability needs of a variety of accounting practices

Program Advantages

- Policies tailored specifically for the accounting profession, ranging from bookkeeping, tax preparation and compilations to private/public company audit engagements
- A full variety of limit and deductible options, such as split limits, aggregate deductibles, first dollar defense and separate claims expense limit options
- Multi-year insurance policy coverage
- Full prior acts coverage is available for firms, even if a firm's policy currently does not have such insurance protection
- Extended Reported Period (ERP) options including ERP options for death, disability and/or retirement
- Interactive Risk Management Assistance, covering a wide range of claim prevention and mitigation matters
- An experienced Accountants Professional Liability-specific panel counsel network
- 10 percent additional claims expense coverage (up to \$100,000 in addition to the limit of liability)

Coverage Options

- Employment Practices Liability coverage
- Nonprofit outside directorship coverage
- Life insurance agent endorsement
- Real estate agent endorsement

Simplified Transaction Process

Monitor can provide quotes from:

- Competitor applications
- Web-based quoting
- Direct billing — payment plan options available
- Electronic policy issuance

Insurance Carriers
